SUBJECT: Minimum Due Process Decision – Lieutenant Ronnie Shirley

On October 9, 2008 a Minimum Due Process Discussion was held in the case of Lieutenant Ronnie Shirley. The case was relative to the original recommendation of disciplinary action in the form of termination.

After careful review of the OPR case file #IA-77-06-17-08, consideration of all relevant information presented to me and testimony at the minimum due process discussion, it is my decision to uphold the original disciplinary action recommendation of termination.
